

Wellstead End of year Parent Questionnaire Results - July 2017

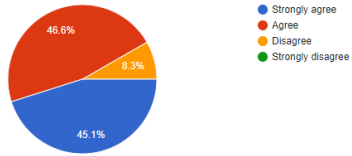

We were thrilled with the number of responses we received from our Parent Questionnaire at the end of the Summer term. We had 133 responses and we were thrilled with the overwhelmingly positive responses to the questions.

Thank you to those parents who indicated an interest in being part of a Parent Council which will meet on a half termly basis with the senior leaders of the school to discuss all aspects of school life and ways in which the school might improve. Mr Robinson will contact you all directly however if you are interested and did not indicate this in your parent questionnaire please pass your name and email address to the school office.
