

# Reading Rockets

News from the Reading Ambassadors

Issue 4 – January 2018

Welcome to another issue of '*Reading Rockets*'; a newsletter created by the Reading Ambassadors with news about their projects and your library.

## The New Reading Ambassadors

We are the amazing Reading Ambassadors and our job is to make displays for the school. We all like to read books! Everyone shares ideas with each other. In our library we have amazing books of all sorts and all kinds. If you would like to find out more, read on.

By Jessica, Kara & Jessica

## How many books are in our library?

We found out that we have more than 5,000 books in our library. Sadly some of them have never been borrowed, so we decided to highlight our Ambassadors Choice!

## KS1 Author Display – Winnie & Wilbur

We created this awesome display by looking at some Winnie pictures and then drawing them off by heart. It took us a few weeks to do it, but the result was worth it! For example: Year 6's drew the castle outline, and then we got to cut it out. Then we coloured it in and stuck cotton on the roof.

## Book Review

*Pet Poems* is a nice poem book with lots of fun pictures and is very funny! It has over 120 poems, some short, some long but all of them funny. It includes lots of imagination and makes you think different, wonderful thoughts.

## Matt Haig Author Visit

Last December, Years 4, 5 and 6 had a lovely trip to Wildern School to see the author Matt Haig. After a long walk we got there and Callum in Year 6 dressed up as an elf, sang jingle bells and answered a Christmassy quiz.

By Anahita

## Author Focus

Read a book by Cornelia Funke!

She wrote her first book by the age of 28, but also designed board games before becoming a writer!

## New Books in your Library

The new book I like is 'Strike a Pose, Daisy Star' by Cathy Cassidy.

By Kayleigh

We have amazing new books in our lovely library. I chose 'Code-it Cody'.
